proportion of high quality
applications for funding”*
to **NIHR PHR**

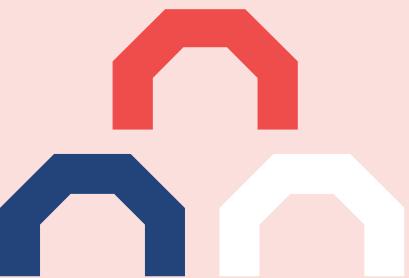

PHRADA – what we do

- We support applications to specific NIHR PHR commissioned calls.
- We aim to better understand the advice and support needs of applicants.
- Goal is to increase the chance of applications being funded.

Who we support

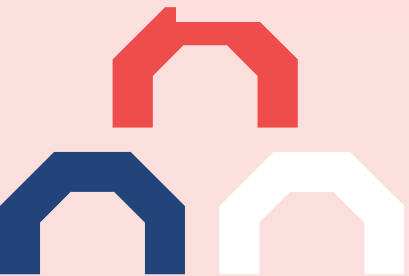

- Investigators preparing research proposals for submission to NIHR PHR commissioned calls.
- Public health practitioners, academics and other investigators from public health, academic, NHS and other organisations.
- PHR programme to provide feedback to them from clients and to exchange knowledge.

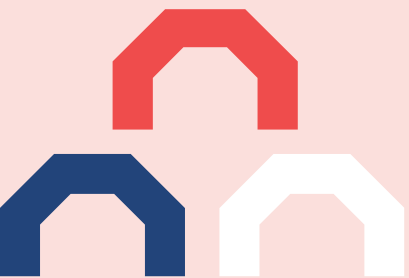

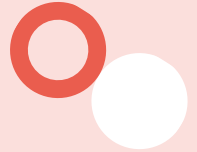

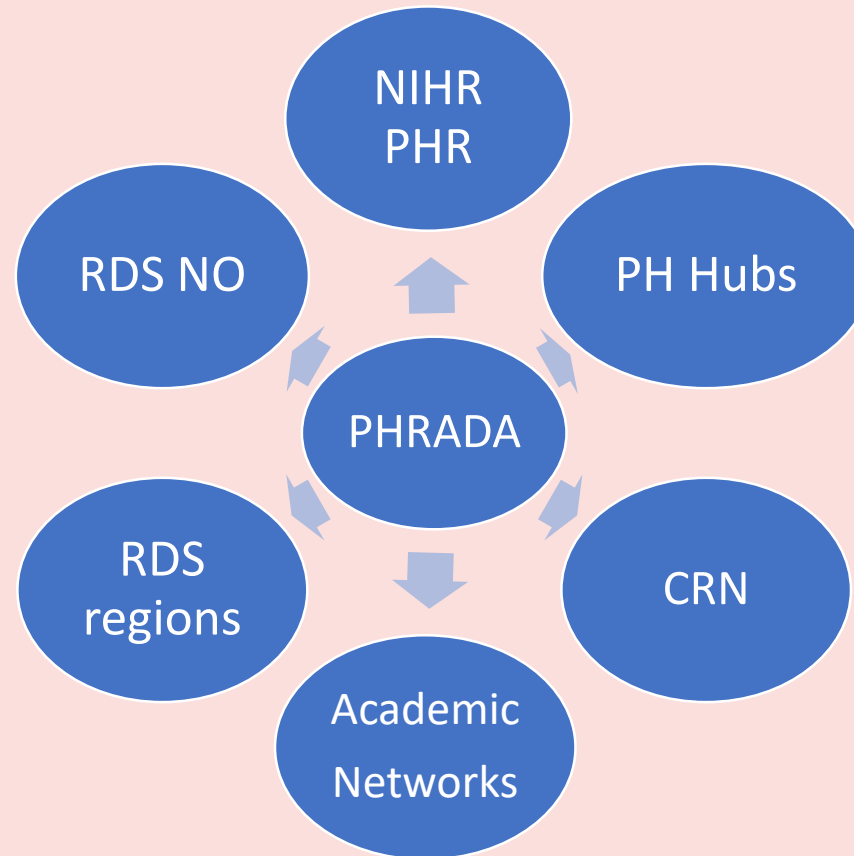

Who we are

A small team of research methodologists from across England, with expertise in public health research:

- Health economics
- Statistics
- PPIE/ Impact
- Qualitative and quantitative methods
- Literature review/ appraisal skills
